

A World-class University... in continuous pursuit of innovation and enterprise

As a leading university in Indonesia with over 35 years of educational experience and impact, and a student body of over 30,000, **BINUS UNIVERSITY** is proud to be in the forefront of the rapidly transforming higher education landscape of this resilient economy and democracy.

Academic and Industry Value

- **Creative and Progressive Faculty.** Highly sought-after faculty coming with international and industry experience and presenting at international conferences
- **Global Learning System (GLS).** A learning management system incorporating a learning network that enables students to interact and access knowledge from various sources
- **Global Employability & Entrepreneurship.** 2 out of 3 graduates become entrepreneurs or work in global organizations
- **Internationalization.** 100% of active students gain international experience during their period of study

Rewarded as an Engine of Change:

- **QS rank TOP 8 in Indonesia** out of 22 Indonesian universities participating in 2018
- **QS rank 251-260 in Asia** (QS University Rankings: Asia 2018)
- **Awarded A accreditation** in 2016 by the Ministry of Research, Technology, and Higher Education, Republic of Indonesia
- **Best Private University** since 2012 in Jakarta Region by the Coordination of Private Universities, the Ministry of Research, Technology, and Higher Education, Republic of Indonesia
- **4 Stars** university rating by QS Stars; **5 Stars** in Teaching, Employability, Facilities, Social Responsibility and Inclusiveness
- **1st private Indonesian university accredited by ABET** for Bachelor of Science programs in Civil Engineering, Computer Engineering and Industrial Engineering
- Member of **AACSB** accreditation program
- Awarded **2018 MIKE (Most Innovative Knowledge Enterprises) Award**
- Awarded **2014 Asian MAKE (Most Admired Knowledge Enterprise) Award**
- Awarded **2014 Good Performance for Excellence Achievement** and Bronze Award for Growth Achievement based on Malcolm Baldrige Criteria for Performance Excellence (MBCfPE) by Indonesia Quality Award Foundation (IQAF)
- Recognized as the only higher education institution in Indonesia systematically contributing to community development through **TFI (Teach for Indonesia)** program

International Standard Resources; World-Class Learning Facilities

Trusted Network

We cherish fruitful partnerships with over **5,000 companies worldwide** and over **160 universities from more than 36 countries** to support 3+1 enrichment program with all undergraduates participating one year in study abroad, startup incubator, internship, community development, or research opportunities. With this initiative, 2 in 3 of BINUS UNIVERSITY graduates work in a global organization or have become entrepreneurs.

International Collaboration Programs:

- Twinning Program/Joint Degree
- Student & Faculty Exchange

Wonderful Indonesia

- The 16th largest economy in the world is a member of ASEAN and the G20 group.
- Thousands of islands spreading between Asia and Australia attract travelers for its alluring beaches and exotic culture.

With exploding middle class, enchanting wildlife and incredible cultural diversity, Indonesia is truly a regional business and cultural hub offering vibrant lifestyle, investment, and career opportunities. A country of contrasts, it is a place to learn to go the extra mile to achieve the dreams.

Vibrant Jakarta

- Holding the seat of ASEAN Secretariat and home to over 10 million people, Jakarta is the capital and the largest city of the thriving Indonesian democracy.
- Famous cultural venues, hidden artistic treasures, business offices in countless skyscrapers, and residential architectural stories reveal tumultuous past and exchange between tradition and modernity.

Apart from being a melting pot of diverse ethnic groups, Jakarta is the center of the country's economics, culture and politics and is famous for its traffic, people, food, shopping malls and entertainment.
