BINUS INTERNATIONAL AT A GLANCE

BINUS INTERNATIONAL, established in 2001, understands the future needs and the pressure of globalization on businesses and the job market.

BINUS UNIVERSITY, our sister university, has more than 30 years of experience in providing leading education. BINUS INTERNATIONAL adds an international flavor to that experience, and can serve as an alternative to studying abroad.

It provides high quality education by combining BINUS UNIVERSITY's industry-relevant teaching with international education through partner-

ships with reputable overseas universities. By immersing in our culturally diverse education environment, our students gain memorable and valuable learning experience to carry them forward in their careers for many years to come.

With a dual-degree system, BINUS INTERNATIONAL enables students to obtain two undergraduate titles at the end of the program (a Sarjana qualification from BINUS INTERNATIONAL and a Bachelors degree from our university partners).
