studying at BINUS?**

JOIN OUR INTERNATIONAL STUDENT REFERRAL PROGRAM

for international alumni!*

Our alumni are the best reference for recommending new students.
For this reason we would like to invite you to recommend our international undergraduate programs in your worldwide network.

Why recommend us?

- You thoroughly enjoyed your study experience and think others will too
- You value the quality of the BINUS curriculum which is on par with international standards
- You remember how comfortable, clean and fun BINUS Square was for living in
- You had a positive experience of our student support services and feel others will benefit too
- You are proud to have studied at the best private university in Indonesia
- You loved your experience of Indonesia and your urban adventure in Jakarta which you want to share with others
- Degree seeking international students can now take advantage of generous merit scholarships.
- Degree seeking international students can choose from a range of programs in English including business, marketing, finance, design, computer science and communication.

Referral Process:

Email us the name and contact details of the potential international student interested in pursuing a degree at one of BINUS UNIVERSITY international programs.

Our team will send the application to the student.

Once the student has enrolled as a **full degree** student in one of BINUS international undergraduate programs, we will transfer you the thank you cash of USD 100.

**Thank you for continuing
to be part of the BINUS family!**

Please drop a line to let us know how you are doing and learn more about the referral program details!
