Information

Session

Tuesday, 28 May 2024

https://global.binus.ac.id/indo-pacific-forum
Introduction

Bridging Industry and Universities for Sustainable Future (BINUS) Indo-Pacific Forum is an initiative of BINUS University to engage academics, industry, and other relevant stakeholders in the region of Indo-Pacific to nurture more meaningful partnerships in ASEAN and Indo-Pacific region in creating sustainable future.

Navigating Asia’s Sustainability Agendas and Economy Landscape with Advanced Technology through Empowerment of International Higher Education

The Stones Hotel
August 28-29, 2024
Bali, Indonesia

https://global.binus.ac.id/indo-pacific-forum
Main Programs

- International Seminar and Academics Community Network
- Research and Industry Expo
- BINUS Youth Ambassador for ASEAN – Indo-Pacific

https://global.binus.ac.id/indo-pacific-forum
Kuta Pledge on Sustainable Future
Collective commitment from higher education institutions, industry representatives, policymakers, and relevant stakeholders to collaborating for sustainable future

BINUS Indo-Pacific Summit
Meeting of leaders discussing areas of collaboration and strategic partnerships highlighting the Kuta Pledge on Sustainable Future

World Café Workshops
The in-depth discussion sessions to facilitate the exchange of ideas with partners in exploring future cooperation opportunities
Panel Discussions on Sustainable Future

Discussion platform where exchanges and sharing of view among key stakeholders take place, with topics covering (1) Development for Sustainable Future: Approach, Design, Strategies in the Indo-Pacific; (2) Innovation in Higher Education and Contribution to Sustainability; and (3) Industry as Driver of Sustainability: Experience and Best Practices.
The Research and Industry Expo provides a space for interaction between researchers, universities and industry to explore problems faced by industry and match them with innovations produced by universities.

Participants can utilize the Expo to showcase their profile to potential partners and wider audience.

Facilitate matchmaking between industrial needs and research-based solutions, paving the way for collaboration in the form of research and down-streaming of research products.

Connect to BRIDGE, BINUS Research & Innovation Development and Global Engagement apps, the BINUS Technology Park digital infrastructure.
BINUS Youth Ambassador for ASEAN – Indo-Pacific
